COMMUNITY LED INCLUSION PARTNERSHIP

ANNUAL REPORT FOR 2022

A LETTER FROM THE CHAIRS

MICHAEL SLIMINGS: INTERIM CHAIR

CLIP (Community Led Inclusion Partnership) was created by representatives from a number of local organisations who recognised the impact that Covid-19 had on the lives of Disabled People in our community. We all recognised that the barriers Disabled People, Carers and those with Long Term Conditions faced on a daily basis had been highlighted even further by the circumstances we have all found ourselves in since March 2020.

As an informal group we recognised the following points; we would be stronger together, we needed the 'voices' of our communities to affect change and we needed to follow the ethos of the Social Model of Disability in everything we do.

HANNAH ROBERTSON - INTERIM SECRETERY

"Within my role as Senior Dementia Advisor, and my volunteer role with Alzheimer's society I have always been passionate about people living with long term illnesses being able to access their community and live life to the full. I want to ensure that the right knowledge is being shared as well as the physical barriers being addressed in Hartlepool to make the town as inclusive as possible."

CHRISTINE FEWSTER - INTERIM TREASURER

"I have two children with disabilities and passionate about creating positive change to ensure we build an accessible community at all levels. Becoming a member of CLIP is important and would encourage everyone to get involved, whether you are living with a long term condition or are a business/organisation, we all need to work together to make Hartlepool an inclusive town to live well"

OUR MISSION

HARTLEPOOL'S COMMUNITY LED INCLUSION PARTNERSHIP LAUNCHED IN MARCH 2021 TO PROMOTE ACCESS, INDEPENDENCE, AND CHOICE WITHIN OUR COMMUNITY. WE ARE A VOLUNTARY CONSTITUTED GROUP WHO ARE PASSIONATE ABOUT BREAKING DOWN BARRIERS AND SHARING GOOD PRACTICE ACROSS HARTLEPOOL.

WE BELIEVE THAT DISABILITY IS CREATED BY BARRIERS IN SOCIETY, THAT FALL INTO THREE CATEGORIES:

ENVIRONMENT, INCLUDING INACCESSIBLE, BUILDINGS AND SERVICES

ENVIRONMENT STEREOTYPING, DISCRIMINATION AND PREJUDICE

ORGANISATIONAL, INFLEXIBLE POLICIES, PRACTICES, AND PROCEDURES.

OUR GOALS IN 2021 WERE TO:

- INCREASE ACCESS AND PARTICIPATION
- BRING ALL PEOPLE LIVING WITH A LONG-TERM CONDITION, DISABILITY, SENSORY LOSS AND/OR THEIR CARERS TOGETHER (VIRTUALLY AND FACE TO FACE)
- EMPLOY A DEDICATED 'CLIP CO-ORDINATOR' FOLLOWING A SUCCESSFUL APPLICATION TO HARTLEPOOL'S COMMUNITY POT.
- HOLD REGULAR SOCIAL OPPORTUNITIES TO REDUCE ISOLATION AND CONSULT WITH OUR COMMUNITY (VIRTUAL AND FACE TO FACE)
- WE BELIEVE PARTICIPATION AND CONSULTATION, CO-PRODUCTION, PEER SUPPORT, INFORMATION AND ADVICE ARE AT THE HEART OF CREATING CHANGE.

HIGHLIGHTS 2021-2022

THE FUTURE

We are looking forward to working on all of our current projects, seeing them through to final stages and enjoying the end results.

We have a planned CLIP conference in October 2022 where we will host an event with various stall holders offering advice and information for our members. Guest speakers will attend updating our community on the various stages of the projects we are currently working on.

We are also looking forward to expanding our memberships through more frequent meetings, PR coverage of the work we are doing, alongside community engagements and events.
